

**FRED FRANCIS, WILL COUNTY
CIVIC LEADER, DIES SUDDENLY****Mokena Halloween
Celebration Draws
Youth of All Ages**

The Halloween celebration in Mokena was enjoyed by the largest group of children and youths ever to participate in this event here. The parade started from the public school at 7 o'clock and marched down Front street to the VFW hall to the music of a saxophone played by Mrs. Jake Barenz. The judges found it difficult to choose the winners from among such a large group of varied costumes, many of which had been carefully planned.

A huge shock of corn had been set in the middle of the VFW hall, surrounded by pumpkins and autumn leaves. Following the judging, all went outdoors to huge bonfires, manned by VFW members, where they roasted weiners for their buns, and toasted marshmallows. Tied for costumes first prize were three winners Linda Matson, Stephen Swartz and Jimmie Serbok. Second prize was won by Rickey Olsen and third prize by Sally Zink.

First prize was \$3, second \$2, and third, \$1. The prize money and the "eats" were donated by the Mokena business men, the Amvets and VFW members. Everyone feels that they should be highly commended for this public spirited effort.

However, despite everything that civic minded citizens did to give the youth of the village a good time Halloween, it is to be regretted that a few resorted to acts of vandalism, some of which were of a very dangerous nature.

Large beams, eight inches square by about 12 feet long, were laid across First street one block west of the Tinley Park road. In one spot three such timbers, which had been removed from nearby property, were laid. Had a motorist come upon these timbers at any speed at all, the consequences would have been disastrous. Fortunately, however, they were observed in the nick of time by a passing motorist, who removed them from the highway. A large hack was placed on Wolf road. Mr. Roy Jensen of Frankfort, who was bringing his wife and children to Orland, hit it. Damage to his car was over \$100. Had he been going at a high rate of speed some of them would undoubtedly have been killed.

A group of boys hauled out the old fire wagon from its berth and set it squarely in the middle of Front street, blocking that thoroughfare, where a motorist barely escaped hitting it. In the course of this escapade the old fire truck, which had become a relic, was wrecked. Vandals made a raid on the old Stellwagen building on Front St., which has been condemned as a fire hazard, and took the law in their own hands. They entered the place and all but gutted it. There was some furniture inside which was wrecked. A rose trellis on the vacant lot facing Front street, next to the Civic Association's bulletin board, was ripped down. A tomato was hurled through a garage window, showering glass on the car inside. At the home of Harley Mann, on Front street when the youths were waxing his windows they were observed by Mr. Mann. He ran out and got them, and made them wash off the wax.

Other waxings and crayon markings went on all over town. The post office windows, which had just been cleaned were given a good waxing, and scores of automobiles were streaked from bumper to bumper.

...all of which raises the question, why does youth, when so many fine things are provided for its enjoyment, go to such extremes? Is it just a lack of common sense? One wonders.

**Frankfort PTA
Plans Meeting
On Mental Health**

"Social Hygiene" will be discussed Wednesday by Dr. Franklin R. Fitch, health chairman of the Illinois Congress of Parents and Teachers, before a meeting of the Frankfort PTA in the school.

This event will be the annual observance of Dads' night, and all fathers are invited by the PTA to attend. Purpose of the meeting is to improve parenthood by study of the correct concept of teaching social hygiene, and in recognition of American Education Week.

There will be a motion picture "Human Growth", and community singing. Health publications will be available. Hostesses are Mrs. Clarence Waldvogel, chairman, Mrs. Albert Kruse, Mrs. Walter Mark, Mrs. Orval Schroeder, Mrs. Orville Schinkowski and Mrs. Claude Otto.

The many friends in this large area of Fred A. Francis, of New Lenox, chairman of the Will County Board of Supervisors, were shocked upon hearing of his untimely death last Thursday, Oct. 29, in Silver Cross hospital. Mr. Francis, who had been ill but one day, died of a paralytic stroke at the age of 65. He had had no previous warning, but attended the Will County Law Enforcement dinner at the Woodruff hotel Wednesday night and complained of not feeling well. The following morning a physician was called and found him resting comfortably, but he soon passed into a coma, whereupon he was removed to Silver Cross hospital, where he died at 7:45 p. m.

Mr. Francis held many key positions, and it will be difficult to replace him. He was active for many years in Will County Republican circles. Since April, 1951, he was chairman of the

Fred A. Francis

Will County Board of Supervisors. For the past 28 years he was supervisor of New Lenox township. He helped organize the New Lenox State bank in 1927, and was chosen as its president, which position he has held ever since.

Following the death of G. F. Krog, cashier of the New Lenox state bank two years ago, Mr. Francis stepped into that vacancy.

He was an advocate of good roads, and served as chairman of the good roads program for Will county, some years ago when road expansion was in progress, which included Wolf road in Mokena.

Mr. Francis was also head of the Will County board of Review, which has the problem of adjusting personal and real estate taxes. He kept well informed on all real estate conditions in the county, and spent much time traveling through the county checking on real estate and making sure that new homes were added promptly to the assessment lists.

Besides all these civic affairs, he was keenly interested in the young people and helped organize the 4-H club in New Lenox, and for more than 25 years served as its leader. He was a kindly, good natured man, with an unusual insight into the problems of the youthful mind during the formative period. He spent considerable time with the young folks, and often worked late into the night on 4-H matters. He was instrumental in getting these 4-H shows put on at fairs, and in awarding valuable trophies and prizes.

Mr. Francis also had a keen understanding of political matters and the internal workings of the affairs of the town and county. He was also an active organizer of the Lions club and the Toastmasters club in New Lenox, in which he always took a leading part. He was always in demand because of his understanding and good, sound judgment.

He was affiliated, from his youth, with the New Lenox Methodist church, and took an active part in all of its affairs.

He loved his community, in which he had lived all his life, and was, in turn, beloved by all who knew him.

Mr. Francis was born Nov. 26, 1888, in New Lenox township, the son of the late Mr. and Mrs. Charles Francis, pioneer Will county residents. He attended the local schools and Joliet township high school. He was married to the former Anna Cloy, of Wheatland, on February 20, 1915, and together they farmed on the homestead, a tract of 280 acres. In 1950 he retired from active farming and moved to the village of New Lenox.

Surviving, besides his wife, are two sons, Fred C. of Wilmington, and Charles J., a student at the University of Illinois, three grandsons and two sisters, Miss Alice Francis of Chicago, and Mrs. Mary Stevens of Daytona Beach, Fla. Another sister, Mrs. Jane Johnston, of Joliet, passed away two weeks ago.

Funeral services were held Saturday afternoon in the Sonnen-

**Hundreds Tour Andrew Corp. Plant in
Orland Park at Open House Celebration****VILLAGE BOARD
AMENDS ZONING
ORDINANCE**

At the regular meeting of the Mokena village board held Monday evening, zoning ordinance 312 was amended which governs residential, business and industrial zones.

Discussion was held on the Halloween celebrations. Mayor John Scarth announced he will offer \$100 for information regarding the person or persons who placed a small boulder on Wolf road and which caused damage to a motorist's car which hit it; and for information regarding person who sprayed blue paint on buildings on Front St.

According to Mayor Scarth, the most destructive work on Halloween night in Mokena was done by out of towners. The old fire truck, which was damaged, the board ordered Al Braun to repair, and the parents of the boys known will be required to pay for the work.

It was announced that the township through Henry Yunker, highway commissioner, will cooperate with the village in conditioning LaPorte road. The township will furnish the labor and the village will provide the stone.

The board stated that it will not be possible to build any new roads in the village at this time, because the money from the fuel tax and road and bridge tax is needed to maintain the present roads. They hope to work on new roads in the future.

The repair work on the village water tank will soon be finished.

Theodore Olson, Chicago, of the U. S. census department, was present. He will supervise a special census for Mokena in the near future.

**HELICOPTER
FORCED DOWN
NEAR MOKENA**

A helicopter, out of gas, made a forced landing on the Richard Bann Jr. farm, just east of Mokena, Saturday at about 5 p. m. The helicopter had come from Chicago. Aboard were the pilot and a passenger, a salesman for the helicopter company.

The pilot landed the \$35,000 craft very gently in a two-acre pasture. The two then went to the Cooper and Hostert garage in Mokena where they obtained a supply of the kind of octane gas needed for the helicopter, after which they went merrily on their way.

Mr. Bann's farm is a mile east of Route 45, and a quarter of a mile south of 191st street.

**Herbert Folkers
Celebrate Silver
Wedding Anniv.**

Mr. and Mrs. Herbert Folkers celebrated their 25th wedding anniversary with an "open house" at their home, Saturday afternoon and evening, Oct. 31. One hundred and fifty guests from Frankfort, Joliet, Chicago, Worth, Plainfield, Naperville, Valparaiso, LaPorte and Westville, Ind. attended.

The three tier wedding cake centered a table covered with a silver table cloth. The cake was cut by Mrs. Glenn Folkers and Mrs. Fred Heuser.

Mrs. Folkers wore a white orchid and Mr. Folkers a white carnation. The sons wore white pompons and the daughter a white gardenia. It was the first time the family was completely together in two years.

The bride's wedding dress was a silver service by Mrs. Eric Bizer, Mrs. Frank Marti, Mrs. Art Lambrecht, and Mrs. Howard Morse, of Joliet.

In charge of the guest book were Mrs. Leroy Mager and Mrs. W. H. Cave. Chairman of the refreshments committee was Mrs. Walter Pfaff. Co-chairmen, Mrs. Fred Schinkowski, Mrs. Stanley Johnson, Mrs. H. Paterson, Mrs. Frank Heisner, Mrs. Fred Kohlhagen and Mrs. W. V. Hedges.

Gifts of many beautiful pieces of silver were presented to the silver wedding couple, and also a purse.

FRANKFORT BAKE SALE

The PTA of the Frankfort public school will sponsor a home bakery and food sale, Saturday, Nov. 14 in the Melcher's store. All donations will be gladly accepted. The sale will start at 2 p. m.

tag Funeral Home in Joliet, with the Rev. Ralph Miller, pastor of the New Lenox Methodist church, officiating. Burial was in Maplewood cemetery in New Lenox.

The "open house" held by the Andrew Corp. last Sunday afternoon in their new plant on 153rd street in Orland Park, was a huge success. The day was ideal, and large crowds toured the building until the closing hour. The plant is a fine, modern building with glass windows on all four sides, and contains 14,500 square feet of floor space.

Friends were greeted by T. and Mrs. Victor J. Andrew and the personnel of the company. Many baskets of beautiful flowers were placed throughout the building. For hours visitors strolled leisurely through the building, inspecting the equipment that is used to make large parabolic antenna for TV and radio broadcasting stations. Although most visitors could not even dimly understand the functions of this highly specialized equipment, they were, perhaps for this very reason, all the more fascinated by it.

At 4:30 there was a brief dedication service of the building, wherein Mr. Russell Cox, vice president and general manager, extended a warm welcome to neighbors and friends, as well as to employees. He referred to the changing economy scene of our time, and spoke briefly of their attraction to Orland Park, which will care for their expansion of their Chicago plant.

In introducing the founder and chairman of the board, Dr. Victor J. Andrew, Mr. Cox stated that Dr. Andrew holds two doctor's degrees from the Chicago university, and a doctor of science degree among others.

Dr. Andrew impressed one as being a man of quiet disposition, with a deep understanding of things beyond the grasp of the ordinary individual. He said he was glad to be there, and expressed great satisfaction over meeting so many of the people in this territory, and for the opportunity to mingle with them. He hoped that the present cordial relations would continue.

Mrs. Aileen S. Andrew, co-founder, adviser, and president of the corporation, was very gracious in her remarks. She said that this was just a beginning, and concluded with "we love you all."

Others introduced were J. S. Brown, director of engineering, and A. Lamons, manager of the sales department. E. A. Koelman, manager of the manufacturing program, Mrs. Doris Smith, head of the personnel department, and Mr. W. H. Schussler, Jr., president of the Orland Park village board of trustees and assistant cashier of the Orland State bank.

In his talk Mr. Schussler said that the new Andrew Corporation building might well be regarded as the "backbone of our community, that their problems are our problems, they are one and the same." He welcomed the Andrew Corporation and all their employees to Orland Park. "The village," he said, "is dedicated primarily to serving its customers, which includes the officers, stockholders and employees of the Andrew Corporation, and all friends and neighbors."

A sumptuous luncheon was served, cafeteria style, to all present. Next week we hope to present a historical sketch of the corporation, with a picture of the plant.

**Barbara Storm Weds
Man From Frankfort**

Barbara Ann Storm, daughter of Mr. and Mrs. George Storm, and Carl Edward Hart Jr., son of Mr. and Mrs. Carl Hart, of Frankfort, were united in marriage at 4 p. m. last Thursday in St. Anthony's church.

The bride wore a gown of white satin with a long train and three quarter veil. She carried an orchid with Stephanotis, and wore pearls, a gift of the groom.

She was attended by Mary Spratt who wore pink satin with lace and carried pink and white carnations. Michael O'Connors, Chicago, was best man.

The bride's brothers, James and Richard were ushers. The bride wore brown accessories and corsage of red roses, and the groom's mother wore a grey dress with pink accessories. Sister Charlotte of Mokena accompanied the children's choir on the organ with the "Lord's Prayer" and "On This Day O Beautiful Mother."

Mrs. Hart is a graduate of Bloom High school and is employed by the Standard Oil company, Joliet, and her husband works for the Mastic company, Joliet.

A reception was held in the church basement for relatives and friends. The couple is touring the Ozarks and Iowa. They will live with the bride's parents.

**SMORGASBORD AND
CHRISTMAS SALE AT
MOKENA NOV. 10**

The Woman's Club of St. John Evangelical church will hold their annual Christmas smorgasbord and a smorgasbord in the church Tuesday, Nov. 10. The sale will start at 4 p. m. and the smorgasbord will be open for serving at 5 p. m. Everyone is invited to attend.

**MOKENA PTA TO
SPONSOR SQUARE
DANCE SAT. NITE**

The Mokena PTA will sponsor activities for the youth of Mokena starting Saturday, Nov. 7. They have decided they will conduct square dances and move alternately, every Saturday. This will start off with the first square dance this coming Saturday, Nov. 7, at 8 p. m. in the school auditorium. An excellent caller from Chicago will be present with his music. The PTA urges the youth of the village, as well as adults, or anyone who enjoys square dancing, to attend and help swell the crowd. If well patronized, these dances will be continued throughout the winter.

The following Saturday night Nov. 14, a movie will be shown, and on Nov. 21 there will be another square dance, following out the plan of alternating square dances and movies on Saturday nights. The movie schedule for Saturday evening, Nov. 28 is an especially fine one. Norman R. Hallock, lecturer, traveler and photographer will present his travelogue motion picture entitled "Our Heritage." This is in natural color. Further information about this movie will be given later.

If these first square dances and movies are well attended they will furnish an indication to the PTA sponsors that they are appreciated and their continuance is desired.

**Mokena PTA Hears
Joliet Instructor
On Education**

Ross Marshall, shop mechanics instructor of Joliet Township high school, spoke October 27 before a meeting of the Mokena Public school PTA. His subject was "Why we are Educated."

He told of education from pioneer days to the present, and quoted five standards by Herbert Spencer. "Education is self protection, ability, social and political life, and recreation."

Mr. Rath and Mrs. Cappel of 7th and 8th grades received the trophy for room count.

The rental book project was further discussed and a committee appointed for the project. Members are Mrs. Albert Cappel, Mrs. Wheatly, Mrs. Thomas Powers and Gordon Bruce. Refreshments were served by the 8th grade mothers, with Mrs. E. Heinecke as chairman.

According to Stanley Williams scoutmaster, there is a need for den mothers for cub pack 40. He asks that anyone interested telephone him for further information.

The Mokena PTA will meet tonight in the school gymnasium for the annual eastern Will county council meeting. The district director will be present. —Ada Westlund, publicity.

**Praise Work of
Explorer Scouts
In Cemetery Care**

Mokena citizens and visitors alike have been impressed with the well-kept condition of the Pioneer Memorial cemetery on Wolf road.

The work of Mr. and Mrs. Anton Benson, who through the years have contributed so much of their time to keeping up the cemetery, has been taken over by Explorer Boy Scout post 40, whose leader is Harley Mann.

The boys have given considerable time to keeping the grass cut and weeds down, and cleaning and painting the cannon. Mr. and Mrs. Benson, in a letter to the News-Bulletin, expressed appreciation for their efforts.

"They have shown a wonderful spirit, and are setting a good example to others. Their parents can be proud of them, and the neighbors and Mokena citizens appreciate their work," said the letter.

Boys who have worked on the project are Robert Kreml, post leader, Fred and Wilbur Rauch, Henry Clark, Paul Landahl, Wesley Schulz, George Dath and Bruce Schulz.

**LINCOLN-WAY BOARD AWARDS
CONTRACTS FOR EQUIPMENT**

The Lincoln-Way Community high school board of education met in a special meeting Wednesday night, Oct. 28, at the Oak View school in New Lenox. The purpose of the meeting was to consider the various bids which had been received on the fixed equipment for the new building. The plans and specifications for such equipment had been previously sent out to all firms indicating an interest and desire in submitting bids.

The bid on the recessed metal lockers for the students was awarded to the Interior Steel Co. on their bid of \$9,535. This included the 463 lockers in the corridors, and all of the lockers for the gymnasium. In addition, the same company received the contract to furnish the combination locks for these lockers, on a bid of \$1,152.50. Later, in checking this company's work schedule, and back orders, no delivery date of less than one year could be guaranteed. As a result, these contracts were awarded to the second lowest bidder, Medart Products Inc. of Chicago. Their bids totaled \$465 more than those submitted by Interior Steel. These prices do include delivery and installation by the company, along with any selection of color as determined by the architects and the board of education. It is planned to use a warm sand color, or a light beige. The highest figure submitted on this equipment was \$10,939.68, while the All Steel Co. was unable to bid, on account of so many unfilled orders.

A large number of bids were received on the laboratory and vocational furniture and equipment, which includes all the furniture and equipment in the homemaking, arts and crafts, and science departments. The specifications called for bids on both wood and metal cabinets, tables, furniture etc. The low bidder on all of this equipment

was the Reliance Cabinet Co. of Chicago. In bidding on the many cabinets in the five kitchens in the foods laboratory, their bid was \$5,201.70 in wood, while the highest bid in wood amounted to \$6,458.20. The lowest metal bid was \$5,677.00, and the highest \$6,323.00. This bid includes stainless steel double sinks, and formica counter tops, and a choice of finish in oak, birch, or maple. The finish will match the regular finish of the wood work in the classrooms.

The same company submitted a bid of \$17,196.00 for all of the cabinets and equipment in the sewing room, arts and crafts, the three science rooms, while the highest bid was \$22,100.90. There were five excellent firms bidding on the above specifications. This company, the Reliance Cabinet Co. has been in operation for 24 years in Chicago, but is just getting started in the school equipment field. They have done considerable work for the University of Illinois Medical Center, and for Marshall Field & Co. in Chicago.

Five kitchen equipment firms bid on the requirements for the kitchen. This equipment included such items as: the soiled and clean dish tables, dishwasher, 2 reach in refrigerators, various work tables, mixer, range batters, pan racks, vegetable peeler, service counter, steam table, display stand and other miscellaneous items. The low bid of \$10,240.36 was awarded to the Illinois Range Co. of Mt. Prospect. The highest bid amounted to \$11,990.

Other bids were opened but no action taken on the following equipment: Laundry, folding gym stands or bleachers, the folding door that divides the gym into two separate areas, and the industrial arts combination with the vocational agriculture. These will be evaluated at the next special meeting to be held Nov. 4th.

**HOLD DEDICATION SUNDAY FOR
BREMEN COMMUNITY HIGH SCHOOL****Sen. Douglas Scheduled to Give
Principal Address; Dr. Hedeon to MC****'Singspiration' To
Follow MYF Service**

The Mokena Methodist church announces that they will sponsor a "singspiration" to be held in the church Sunday evening, Nov. 15, starting at 7:30 o'clock, following the regular MYF service. They invite everyone who either likes to sing or listen to singing, to attend. The old gospel songs will be sung under the leadership of Leroy Harling of Chicago, with Mrs. Harling at the piano. There will be no admission charge.

**Frankfort Women's
Club Sends Box to
Korean Children**

The Frankfort Women's club have sent a box of used clothing, shoes, and new stockings to Korea for the children. Local people contributed the clothing. The shoes were donated by Charles Lewin, and the new stockings were purchased with \$25 contributed by the women's club.

The box was packed at the home of Mrs. C. Wieringa. Assembled there, to assist her in the packing were Mrs. Lily Herschbach, Mrs. W. V. Hedges and Mrs. Leroy Mager.

**Mokena Pupils in
Piano Recital Sun.**

Mrs. Esther Fields Davies will present a group of her piano pupils in a piano recital Sunday, Nov. 8. The pleasant affair will be held in the Richard Street Methodist church in Joliet starting at 2:15 p. m.

Those from Mokena taking part are: Darlene Grybasch, June Swanberg, Wayne Swannberg, Sarah Sippel, Sharon Cappel, Jean Lauffer, Lois Keisler and Patricia Walsh.

All friends are cordially invited.

TURKEY SUPPER

A turkey supper will be given Thursday, Nov. 12, by the Women's Guild of St. Peter's Evangelical and a Reformed church of Frankfort. Everyone is invited.

ROAST BEEF DINNER

A roast beef dinner will be served in St. Anthony's church at Lincoln Estates Sunday, November 8, from noon to 5 p. m. Everyone is cordially invited to attend.

ROAD CLOSED

171st street is closed. A bridge is being repaired near the Clarence Bettenhausen place, and the road is also being repaired.

**HOLD DEDICATION SUNDAY FOR
BREMEN COMMUNITY HIGH SCHOOL****Sen. Douglas Scheduled to Give
Principal Address; Dr. Hedeon to MC**

Dedication ceremonies for the new Bremen Community High school, 15201 Crawford ave., will take place at 3 p. m. Sunday at which time Sen. Everett M. Dirksen will speak.

The two-story 100,000 square foot modernistic brick structure, finished in August and opened September 8 to 730 students, will be open for inspection after the program. T. R. Birkhead is superintendent of the school, and Glenn L. Starnor the administrative assistant.

Leading off the day's festivities will be the high school band directed by Bertil Kempe, after which presentation of colors will be made by the Explorer Boy Scout unit from Indian Trails district. Dr. Earl V. Hedeon, president of the district 228 board of education, will act as master of ceremonies.

Mike Holliday, president of the student council, will give the pledge of allegiance, and Rev. Arvian C. Habegger of the First Baptist church, Markham, the invocation. After a talk by Mr. Birkhead, the high school mixed chorus will sing, and Dr. Hedeon will introduce Sen. Dirksen.

Rev. James H. Odom of the First Methodist church, Tinley Park, will give the benediction. A social hour with refreshments will be held in the school cafeteria.

Members of the dedication committee are Clyde Blanke, Robert Anderson and William Libbert of the school board, Superintendent Birkhead, John Flynn, faculty representative, and Michael Holliday, student representative.

The first floor one-story section of the high school contains a 95x120 gymnasium, a metal shop, drafting area, wood shop, artcraft rooms, cafeteria and administration offices.

The two-story academic section has a homemaking laboratory, study halls, library, and the remainder of the school's 33 classrooms.

The building itself is modern. (Continued on back page)

**Mokena PTA
Council Meets
Tonight Nov. 5**

The PTA council for the Mokena area will be held this evening Nov. 5 in the Mokena public school at 8 o'clock.

The Council is happy to announce their guests that evening will be Mrs. Helen Rusnak, State Council adviser and Mrs. Dorothy Sample, district director.

The council urges all who are interested in PTA work to be sure to attend this meeting and to meet the above named guests.

TINLEY PARK

824-7-761

Ken Webster, State Jr. Councilor, Order of DeMolay, was installing officer Tuesday evening at Tri-Vi-Gui chapter, Order of DeMolay, in Bensenville, when Raymond Rau became the new master councilor of the chapter.

Cora Douglas entertained a

group of ladies Monday evening at a Stanley demonstration. Mrs. Leonard Wright, of Highland ave., returned Monday from St. Francis hospital, where she underwent major surgery.

Guests of Mr. and Mrs. Francis Glahn at a dinner in honor of their son Jimmy's eighth birthday Thursday evening were his uncle Roy Glahn of Evans-ton, and grand parents, Mr. and Mrs. Thomas Wheeler of Orland Park. A children's party to celebrate the occasion was held Saturday afternoon with eight boy friends as Jimmy's guests. Decorations were in the Halloween motif. The boys enjoyed playing games and partaking of the birthday cake, ice cream and pop.

Mr. and Mrs. Noble Ginther celebrated their twentieth anniversary Wednesday by attending the movie "The Robe" which is in cinemascope, and is appearing at the State-Lake theatre, in Chicago.

Mr. and Mrs. Ervin Funk and daughters, Wanda and Sherry, spent the week end in Pittsfield. Mrs. Funk's family, Dan Donohoo returned home with the Funk's after spending his vacation with his parents.

Dinner and supper guests of the Dallas Webster's Sunday were: Bertha VanHorn of Sterling; Miss Ruth Olsen, Markham. Mr. and Mrs. Lawrence Lawse and son of Chicago. In the evening the group attended the Trinity forum at Trinity Methodist church in Chicago. Rabbi Louis L. Man was the speaker.

Mr. and Mrs. P. L. Jusham and daughters were supper guests Sunday of the Carl P. Jusham at Blue Island. The third birthday of tiny Janice Jochum was the special occasion.

Mrs. Mary Rosenberg of Al-

hambra, Calif., called on the John and Robert Funk families last week. Mrs. Rosenberg is an aunt of John Funk. She left by plane Friday to return home.

A one o'clock luncheon honoring the birthday of Mrs. Edgar James was given Nov. 2 with Mr. Leonard Splawski as hostess. Guests were Mesdames James, Moschel, Clark, Kimmel, Matuszewicz, Hrapchak, Niefert and Splawski. Salad, birthday cake and coffee were served. Mrs. James received eight beautiful hankies as mementoes of the occasion.

Tiny Patricia Ann Leobert was the winner of the "five year and under" class in the Halloween parade Saturday evening. She was dressed in her mommy's Sunday-go-meeting clothes.

With Florida as their destination, the Hal Kent family are enjoying motoring through the swamps and along the Gulf. This is a combination business and vacation trip.

Charles B. Powers, a representative of the village water department, attended the round table and forum discussions at an assembly in the state capital in Springfield Tuesday and Wednesday of the past week.

Mr. and Mrs. Christian Andres celebrated their 61st wedding anniversary Tuesday, Nov. 3. This was also the birthday of Mrs. Andres.

Mr. and Mrs. William Livingston and son, motored to Ashmore, Ill., to visit his mother. Mrs. Ben Campos and son were afternoon guests of Mrs. Tony Tortorillo.

Honored at Bridal Shower
Miss Shirley Stege, who is to become the bride of Mr. Alvin Henke Nov. 15 was pleasantly surprised Sunday afternoon, when Mrs. Lerov Deutsche of Crete and Mrs. Walter Bormet honored her with a shower in the Deutsche home in Crete. Thirty friends and relatives were present. She received many beautiful gifts.

Games were played with duplicate prizes going to the bride. An attractive centerpiece of tiny sprinkling cans and candles graced the buffet table. Delicious chicken-salad and hot rolls, cake and coffee were served. The festivities will end with the bridal dinner at the Rheinhold Stege home next Sunday.

The Misses Jean Keuch and Sally Schellhase who motored to California recently, report having enjoyed the trip greatly. They visited with the aunt of Miss Keuch, Mr. and Mrs. Clarence Olson in Monterey Park and with Mr. and Mrs. Mario Bernardini at San Diego. They drove to Tejuana, Mexico; Hollywood, Carlsbad Caverns and the Mormon tabernacle in Salt Lake City, and many other places of interest. While going through the desert they had the pleasure of a flat tire but were fortunate in having some service men traveling in the same direction, stop and help change the tire.

and 4th Sundays.) Lower

U. S. Building Corn Cribbs on 171st St.

A number of corn cribs are being erected on 171st street near 94th avenue by the U. S. Agricultural Dept. who have made a long term lease on the land which belongs to Henry Schilling. The cribs will be used for local storage of corn. Any farmer in this locality who wants to make a loan from the government can give his corn as collateral, the corn to be stored in one of these cribs.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

The Evening Circle of the Orland Park Methodist WSCS will meet Tuesday evening, November 10 at 7:45 p.m. in the church parlors. Everyone is welcome.

Mrs. Sigmund Smith, president of the Orland Park Women's club and members, Mrs. Ralph Town, Mrs. Harry Ahn, Mrs. C. Vondersmith, and Mrs. Edward Mell, went to the Manteno State hospital last Monday where they toured the grounds, two wards in the infirmary, the recreation building, laundry, sewing room, kitchen, bakery and employee dining hall. Thursday, Nov. 12 is the day for volunteers at the hospital. Anyone interested should call Mrs. Ralph Town, Orland 122.

Bill Whiteside of Moline spent Sunday at the Richard Farr home. Bill is a classmate of Virgil Butler, both at Blackburn and University of Illinois and is now Cook County Farm Advisor or located in Tinley Park. Virgil was home over the weekend, enroute from six weeks schooling at Ft. Slocum, New York. He left Sunday to return to camp Ft. Riley, Kan.

The Church of the Nazarene in Orland Park will hold a four day revival, Nov. 5 thru the 8th starting at 8:00 o'clock each evening. There will be special singing and gospel preaching by Rev. and Mrs. Ted DeBolt. Everyone welcome.

Last Thursday day group of the WSCS of Orland Park Methodist church met in the home of Mrs. Ray Myrick for an all day session. Luncheon at noon was followed by a devotional period in charge of Mrs. Harvey Cooper. Mrs. Dave Agate and Mrs. Ray Doctor assisted Mrs. Myrick as hostesses. At the business meeting of the WSCS the members made plans to hold a Christmas sale and supper in the church annex, Dec. 3. The sale will start at 1:30 p.m. and will give everyone an opportunity to select a few nice Christmas gifts. They also agreed to contribute a sum toward new draperies for the annex. Marcey Center is asking for quite a few small items for the children at the center, a partial list of which follows: Kleenex, large size crayons, red and green crepe paper, paint brushes and story books for boys and girls 8 to 12 years of age. These items are to be brought to the next meeting which will be a week earlier, Nov. 19, because of Thanksgiving falling on the scheduled day for the meeting. The meeting will be held in the home of Mrs. Harry Anderson. New choir robes have been ordered and as the proceeds of the bake sale held for that purpose do not meet the entire cost of robes, the WSCS will pay the balance.

James Husak, son of Mr. and Mrs. James Husak of 14230 S. Harlem arrived home last Monday from Japan. He was stationed at Heartbreak Ridge in Korea for 9 months, was hospitalized about a month in Japan. He is on a 30 day furlough and will report back at Ft. Riley, Kansas. He hopes to receive his discharge in April when he has served his two years of enlistment.

Miss Rose Augustine of Chicago was a week end guest of Mr. and Mrs. Dallas Webster. The DeMolay Boys and Bethel Girls and advisors were guests at Jack Shaw's cottage near Wilmington for a Halloween party Saturday evening. Those attending from Tinley Park were Mr. and Mrs. Dallas Webster and Ken.

The officers and teachers of the Methodist church met Monday evening to make preliminary plans for the Christmas season. Mr. and Mrs. H. Riebe and family have sold their home and will be moving to the north.

The prize winning poster for November dramatizes the caution to be used in keeping from between parked cars. The November poster, one of the top award winners in a national contest, will be distributed to some 44,000 primary school classrooms throughout the Illinois and Indiana territory of the Chicago Motor Club. The poster will be distributed along with lesson sheets explaining the safety theme of the month and prepared especially for each age group.

THE MAGIC 28 is the collective title bestowed on NBC's fabulous new line-up of recently launched network radio shows. The 28 run the entertainment gamut from news to comedy to poetry to drama to audience participation. Biggest innovation is the re-tailoring of such old half-hour favorites as Fibber McGee and Molly, Can You Top This? and Break the Bank into Monday-through-Friday quarter-hour shows. On the nightly Midnight Column, different guest columnists report from their own areas. Among the new "big name" programs are a situation comedy, House of Glass, starring beloved Gertrude Berg, and a new mystery series, Rocky Fortune, featuring Frank Sinatra as a private detective. The lives of famous movie stars are dramatized on The Hollywood Story on Sundays with cinema luminaries playing themselves.

JOAN DAVIS' daughter, Beverly Wills, will portray her mother's co-ed sister on the TV comedy I Married Joan. Another famous parent-child acting duo is Robert Montgomery and his talented daughter, Elizabeth, seen on Channel Five's Robert Montgomery Presents.

HARD-WORKING D. J. Howard Miller, seen on WNEQ Friday nights on The Howard Miller Show, and heard Monday through Friday on WMAQ's Light Up Time (10:35 p.m.) is slated to begin a new radio series, Quality Set to Music, at 9:45 p.m. Joseph Gallicchio and orchestra will provide music Monday, Thursday and Friday, with Miller picking records Tuesday and Wednesday nights.

BERNARDINE FLYNN, lovely leading lady on NBC-TV's Hawkins Falls, was known to radio audiences for 12 years as the feminine half of the comedy team of Vic and Sade. Although the show has been off the air for eight years she still gets mail addressed to "Sade." Bern started acting on high school productions in her hometown, Madison, Wis., but it wasn't until college days that she got a real break. She was appearing in a University of Wisconsin production of "Lilium," when the play's author, Zone Gale, saw her. Miss Gale was so impressed she recommended Bern for a role in her forthcoming Broadway play. After two years on Broadway, acting a variety of roles, Bern came to Chicago to try her talents in radio. When Hawkins Falls became a network serial three years ago she was picked as lead. Bern is married to a Chicago physician and is the mother of two sons; Tony, 16, and Ruffin, 12.

Bernardine Flynn

Q QUIPS: Art Hellyer of Down-town With Hellyer tells the unhappy story of the fellow who could have been a great ballplayer but he was too honest to steal a base!

Closet Has 'Working Walls'

"Working walls" are the answer to multiplying the storage capacity of any closet! Add the revolutionary development in the adjustable "clothes tree," and the entire closet becomes functional. Hats and suits, vacuum cleaner, card table, folding chairs—all have a place in this remarkable space-saving closet. The closet walls are lined with perforated Masonite "Peg-Board," panels of tough, durable Presdwood fitted with self-locking metal hanging fixtures. These may be inserted in the holes at will for completely flexible storage. The "clothes tree" is a brand new idea. Each of the horizontal rods is quickly adjustable at three-inch intervals with a screwdriver. Masonite "Peg-Board" panels and fixtures, as well as the adjustable clothes rods, may be obtained at most lumber yards. The panels may be installed over the studs in new construction and over spacers in existing houses.

HERE'S HOW

Muscular Dystrophy Campaign poster boy Richard Fowler, 7, of Apollo, Pa., learns the art of carving from Robert Alda, Hollywood, Broadway and TV star, in hopes of celebrating success of the nationwide drive which runs from November 2 through Thanksgiving. Money raised goes to further research into the mystery disease and helps pay for therapy, wheel chairs and medical bills. Richie is one of 130,000 U.S. children who face crippling and death from muscular dystrophy unless a cure is soon found. Don't let him die! Give generously today to your local Muscular Dystrophy Associations Chapter, or to MDA, New York 2, N.Y.

CARD OF THANKS

We sincerely thank all our neighbors and friends for the kindness shown us at the time of the death of our father, Col. Don C. Hall, Sr., also to the members of the Mt. Joliet A.F. & A. M. Joliet lodge and Rev. William Riemann for their comforting service and for the beautiful floral offerings.

THE CHILDREN

Whitney Carter has sold his home on Front street to Everett Cooper.

The members of the Methodist Mens club met at the new church foundation Saturday and cleaned up around it and put in most the back fill.

The official board of the Methodist church met Sunday afternoon with 17 members present and six members of the MYF present. The latter attended to watch the proceeds of the Christmas program and for a New Year's Eve service.

Durward Fant was elected as chairman of the building committee replacing Berle Needham who resigned because of business. Loren Collins was elected to the building committee. Consideration was given to the subject of changing the hours of service.

The Royal Neighbors will meet in the VFW hall Tuesday evening Nov. 10. Family night will be observed, and all members and their families are urged to attend. They are asked to bring cake or sandwiches.

Mr. and Mrs. Karmardt and family of Chicago moved Saturday into the Westlund house on Front street, recently vacated by Mrs. Rose Knudson.

Mr. and Mrs. William Lowry attended an organ and choir concert at the University of Chicago Rockefeller Memorial chapel Sunday evening. Heinrich Fleischer, professor of music at Valparaiso University was organist, and the Valparaiso University choir sang.

Mrs. Fred Lehmann who underwent major surgery in the Oak Park hospital Oct. 23, returned to her home Saturday where she is convalescing nicely.

Mr. and Mrs. Jack Schaub and Mr. and Mrs. Henry I. Clark attended family night and orient pageant at Medinah temple in Chicago Oct. 29. John C. Pollock, brother in law of the Schaub's, who is potentate of Medinah temple, performed excellently in the pageant.

Martin Medema, Ray Westlund and Marvin Smith, the manager of the Semmler Newspaper circulation campaign, all motored to Chicago Saturday evening and attended the wrestling at Marigold Gardens.

Mrs. Hugo Niethammer and Mrs. Arthur Shoop, leaders of Girl Scout troop 42, directed a Halloween party in the school gym Saturday night. There were 50 members present of the 7th and 8th grades who came in costume. Decorations consisted of corn stalks and pumpkins. A large cauldron was filled by pop corn which was freely enjoyed during the evening. Games and dancing was enjoyed. Special guests were Mrs. Elizabeth Capel and Mr. and Mrs. Herbert

Wrath. Luncheon of pop and cup cakes were served.

Mr. and Mrs. Clarence Breitbarth entertained at dinner Sunday in honor of her father, Howard Beagly and his birthday.

Carol Fassett who has been a patient in Silver Cross hospital for the past several weeks following surgery will return home today. She has been taken out of traction and now a cast has been placed on her leg.

The Jolly Neighbors celebrated the birthday of Jack Schaub in his home Wednesday, Oct. 28 with a supper party. Those present were: Mr. and Mrs. Everett Creer and Allah, Mr. and Mrs. Earl Stellwagon, Mr. and Mrs. John C. Pollock, Mr. and Mrs. Henry I. Clark and Henry, Mrs. Helen Scheer, Mrs. Carrie Mattes, Mrs. Dorothea Roesener and mother from New York. One of the group was missing, Earl Stellwagon Jr., and the group sent him a few word messages to him at the Elmhurst college where he is a student. Pinochle was enjoyed. The next birthday of the Jolly Neighbors to be celebrated will be that of Mrs. Helen Scheer in November.

The James Murphy family moved to Spring Creek, Ohio recently where he is employed by a construction company.

The Donald Madson family who lived in the upper flat of the Murphy home moved down stairs and Mr. and Mrs. Donald Clegg have moved in the flat vacated by the Madsons.

Mr. and Mrs. Harold Spiess attended a party in the Gilbert Schumuhl home in New Lenox Saturday celebrating the birthday of Mr. and Mrs. Gilbert Schumuhl. Others present were Mr. and Mrs. George Schroeder of Frankfort, Mr. and Mrs. Albert Schumuhl of New Lenox and Mr. and Mrs. Irving Schumuhl of Joliet. Pinochle was played and refreshments were served.

Mrs. Henry Shevlin who underwent surgery in Silver Cross hospital Oct. 27 returned home Sunday where she is convalescing nicely. Her daughter and family, Mr. and Mrs. Emory Fulton and daughter Jill of Tinley Park are staying in the Shevlin home helping to care for their mother for a few weeks.

Mr. and Mrs. Edward Brueser returned Sunday from a short trip to Dawson Springs, Ky. where they visited friends.

Miss Carole Carpenter, former Mokena resident and now in the nursing profession in Silver Cross hospital spent last Thursday and Friday at the Edward Brueser home. She took the state examination for nurses over the weekend.

FRANKFORT

Dinner guests of Mrs. Albert Minger Sunday evening were Mr. and Mrs. Roy Minger and family, Mr. and Mrs. Ed. Walsh of New Lenox Mr. and Mrs. Howard Woelfel, and Mrs. Mary Minger, of Joliet; Mrs. Elizabeth Marnack and Elmer, Later Mrs. Clara Hansen of Joliet joined the group.

Mr. and Mrs. John Lorenz and Jane, Sammie Lorenz and Mrs. Fred Schalbach all of La Crosse, Wis. were week end guests in the Arthur Mark home.

Mr. and Mrs. Robert Stephens were dinner guests Sunday of Mr. and Mrs. Gilbert Wessners in Joliet.

Recent guests of the Robert Stephens were Mr. and Mrs. Eugene O'Heron of Chicago; Mrs. Emma Robinson and Mr. and Gilbert Wassner of Joliet.

A Frankfort boy, in service will have a birthday Nov. 22. For those who would like to send him a card his address is: Pvt. Charles W. Schultz, RA 55-420-449, Box 3, 3585th St. Train, Sq. Gary AFB, San Marcos, Tex.

\$11,000 Paid For 10.8 Mokena Acres

\$11,000 was paid for a 10.8 acre tract of land in Mokena this week. The land was bought jointly by Al Duncan and Walter W. Welsch, a lumber dealer on Wolf road. Al Duncan is a promoter on South Wolf road, near Hickory Creek, where he has a subdivision.

The property was purchased at an auction sale at the court house to settle an estate. Former owners of the property were C.

Lucille Schiebllich and her husband, Howard Schiebllich. The sale was on orders of the circuit court following a partition decree sought by Mrs. Schiebllich. Since making the purchase Mr. Welsch has sold his share of the property to Mr. Duncan.

Armistice Day

Many years ago on Armistice Day.

We had cause for celebration. But in recent years we view this day.

With thoughtful deliberation. For hostilities have been going on.

And our boys have gone to war. The country seems to be insecure.

As its never been before. We'd love to celebrate Armistice Day.

If it meant what the name implies.

If we had real peace, and not have to watch.

For foreign planes in our skies. "We're not at war now," so the

papers say.

But there's an unrest in our hearts.

When we hear of atom or H-bomb.

Or another troop train that departs.

So as we approach this Armistice Day.

Let us pray for a real lasting peace.

That someday in the near future All hostilities will forever cease.

A day when all our boys come back.

Never again to think about war. That will be an Armistice Day.

One that's worth praying for.

—H. Adelman, Homer Twp.

A new steam electric power plant in southeastern Indiana will burn 800,000 tons of coal per year and produce 1,800,000 lbs. of steam per hour with just two boilers.

CANCER CLINIC

There will be a meeting of the Will-Grundy County Cancer Diagnostic clinic in Joliet Nov. 10 and 24th. All patients at-

tending the clinic must have a referral from or be accompanied by a physician or dentist. Dr. Paul E. Landmann is the director.

NEW 2-WAY PLOW ...

for the CA — champion tractor of the two-plow class

Now Allis-Chalmers offers 2-way plowing . . . two 12- or 14-inch bottoms . . . for the CA Tractor.

This spinner-type, close-coupled, 2-way plow eliminates dead furrows. On flat land the field is plowed level from side to side — so essential for irrigation and good surface drainage. On hillsides and rolling land . . . all furrows are turned uphill to resist downward creeping of the soil and to reduce runoff.

Priced only slightly higher than a one-way moldboard plow, the new 2-way plow is hydraulically lifted and uses CA Traction Booster to put extra weight on drive wheels.

Let us demonstrate.

2-way Spinner-type Plows are available for both WD and CA Tractors

LINCOLN-WAY 1954 FOOTBALL SCHEDULE

Football coaches representing the members of the Southwest Suburban Conference, along with Supt. Chapman, of Lincoln Way, met at the Bremen Township High School Monday night Oct. 26, for the purpose of drawing up the football schedule for 1954. After this was completed for the next school term, a revolving schedule was then drawn up for several years in the future. Such a schedule could not be started until 1955 because the newest member of the conference, Evergreen Park, will not be in operation until that time. The various dates were selected by chance so that every school would have the same opportunity.

All games will be played on Friday afternoons, starting at 2:30, with the exception of those at Reavis, where they have a lighted field. A regular conference schedule will also be followed for the Frosh-Soph teams and the same dates and schools will be used as for the varsity games. The only difference being that these games will be played on Saturday mornings at 9:30. Championships will be awarded for both of these teams.

The schedule is as follows: Oct. 8, Rich, there; Oct. 15, Bremen, here; Oct. 22, Oak Lawn, here; Oct. 29, Orland Park, there; Nov. 5, Reavis, here.

Two additional games will be added to the schedule, if a non conference opponents can be secured.

Jonas Lashmet, present football coach at Staunton, Ill., and former captain of Illinois State Normal, has been secured for the football coach. He will be assisted by Paul LaVinn, who is the head basketball coach and director of athletics and physical education.

Other Southwest Suburban Conference activities will include basketball, baseball, track and golf and wrestling in the athletic line, and music, speech and dramatics along with girls' athletics making up the various extra curricular activities. Member schools can compete in as many of these functions as they may choose. However, a majority of all schools is necessary before selecting a conference champion. Several student council meetings have been held among the students representing the schools now in operation.

HOLD DEDICATION SUNDAY

(Continued from front page)

istic in design, and structurally the finest obtainable. The walls are non-weight bearing, the stress being borne by the reinforced concrete framework. The interior walls are of plaster block. The building is 555 feet long.

Members of the school board, in addition to Dr. Hedeon, are Mr. Libbert, Tinley Park, secretary, Mr. Anderson, Markham, Steve Oros, Poser, Mr. Blanke Midlothian, Raymond Hall, Oak Forest, and Dr. Donald Washburn, Homewood.

The school's department chairmen are Mrs. Juanita Adams, homemaking, Wallace Carpenter commercial, Virginia Combs, dean of girls, Lee Cox, dean of boys, John Diehl, athletics, Glenn Eigenbrodt, science, and

The office staff includes Mrs. Sharon Crossett, Mrs. Marwill Pooler and Mrs. Betty Zwilling.

Christian Science Lecture on How God Heals Discord

How an understanding of God heals discord will be the topic of a Christian Science lecture to be given Nov. 5 by Frank T. Hord of Washington, D. C. It is announced by the Christian Science Society, of Midlothian.

A former army combat chaplain, Mr. Hord will speak in the church at 14728 Kostner Ave., at 8 pm. The lecture is open to the public without charge. Mr.

Hord's subject will be "Christian Science: Its Practical Operation."

Mr. Hord served 46 months in the United States and in the European theater of operations during World War II as a Christian Science chaplain. He was with combat troops through out the war, and served in the Antwerp area during the five-months' buzz bomb siege of that important supply base on the Belgian coast.

Prior to entering the public practice of Christian Science healing, Mr. Hord was active in sales engineering, and as founder and head of a travel agency. He is currently on ex-

tended tour as a member of The Christian Science Board of Lecturers.

Southwest Zoning

(CNS) Two hearings were set to consider proposed zoning changes in the southwest part of Cook county.

At 5 pm, Friday, Nov. 6 in the Edward J. Tobin school, 8500 Narragansett ave., Stickney township, a request by Charles Zenner Sr. for the reclassification from business to tavern and amusement of property on the west side of Cicero ave., 70 feet north of 78th street, Stickney township, was to be considered by the county zoning board of appeals at a public hearing.

BABSON SAYS—

Copyright 1953—Publishers
Financial Bureau, Inc.
Babson Discusses New
Discoveries and Inventions
Babson Park, Mass. Let me
name some which are now progressing:

1. Indestructible plastics which will not bend or rust, crack or split. These are based on certain new chemical compounds. They will be used for everything, from houses and bridges down to automobiles, and even soft goods.
2. The production and use of new metals and alloys. There are less than 100 elements, but these can be put together in millions of different alloys, of which only a small fraction has now been tested. These new alloys offer great opportunities for development.
3. Commercial Isotopes, some of which the Atomic Energy Commission has released to the public. They are now being used by hospitals. The time is coming when these Isotopes will be used for all kinds of industrial work, to find flaws in machinery, in steel rails, textiles, etc. They may develop into a great industry.
4. The "Do It Yourself" Industries, which have a promising future. With the shortening of hours, everyone is given more opportunity to work at home. If I wanted to open any kind of store, I would have a store which would handle materials to help people get along without carpenters, painters, electricians, etc.
5. The mechanical brain—an invention with great possibilities. The time is coming when these new mechanisms will do much of our thinking and analyzing, and may become almost as common as the adding machine.
6. Watch Supersonics. By this I mean very rapid mechanical vibrations which are faster than sound waves. Supersonics may completely eliminate present washing machines and other household utensils. They have the power of cleaning metal and even cutting metal. We first had the electrical age; we are now entering the electronic age, and will some day enter the supersonic age.
7. Vending machines. Some years ago we had vending machines in railroad stations and on street corners, but the industry got into a bad rut because so many of the machines were broken and the products and money were stolen. Now, with the introduction of self-service, the vending machine is protected within the store. It is again coming into its own.
8. Electric power. The time is coming when electric power, sufficient to run home appliances, may be broadcast like radio. Some even claim that we will buy our electricity in batteries, which will be brought to us once a month like bottled gas. This may give us electricity for the household cheaper than we could get it from the big central power stations.
9. The conveyor belt, coming into use more for both people and goods. This will develop into a new industry, especially after the synthetic rubber plants are returned to private industry. A belt is now being devised to carry people from the Grand Central Station to Times Square New York City.
10. I am particularly interested in getting power, heat, light, and refrigeration from Solar radiation. Statistics show that the amount of sunlight on an acre of land is equal to a thousand horse power. A very complete report on the future of solar radiation appears in the September issue of Fortune Magazine.
11. Automatic factories should permit decrease of prices and

should allow workers more time for study and leisure. They are destined to increase rapidly in number. The printing industry is already on the verge of revolutionary changes whereby it can get along with a fraction of its present number of employees. Shoe factories, cotton mills, and others will enter the push button stage where practically the entire operation will be done automatically. This will solve the union labor problem.
In conclusion: Economics is my specialty. All this talk about making prosperity permanent by legislation is sheer nonsense, although Congress can temporarily extend same. In the long run, prosperity is dependent upon us developing spiritually and having better knowledge and self control, with a determination to render services. Too few of our people have these all important qualities. Sometimes I think that young ministers and school teachers have the greatest opportunities for improving conditions.

CORN PRICE EXPECTED TO RISE SLOWLY

The price of corn will rise to around \$1.50 a bushel before next harvest. That is the opinion of L. J. Norton, professor of agricultural economics at the University of Illinois.

Norton further points out that average prices of farm products have been working lower since February 1951. The downturn was rather abrupt after July 1952. Two probable causes for this decline were 1, a considerable increase in marketings of farm products and 2, a decrease of about one-third in agricultural exports.
Three factors depressed the corn market this past year:
1. The crop was large (3.3 billion bushels)—10 percent greater than needs.
2. Hog numbers were decreasing. Both fall and spring pig crops were cut by around 10 percent.
3. The government sold large quantities of old 1948 and 1949 corn that it had acquired in supporting prices of corn in those years.
Many farmers overlook the fact that most or all of the gains from crop loan and storage programs are lost when later sales of the surplus products prevent normal market recoveries.
Price supporting forces in the market this past year were as follows:
1. Exports of corn increased from 81 million bushels in 1951-52 to 124 million in 1952-53.
2. Farmers increased their feeding to poultry, dairy cows and beef cattle.
3. Farmers placed nearly 400 million bushels of corn under price support loans and purchase agreements.

NEW LENOX

Delores Anderson
New Lenox 3133

The Altar and Rosary Society of St. Jude Catholic church met Oct. 27, after the Novena hour in the church hall. Mrs. Pat Merfield, president, conducted the business meeting. Plans were made for the annual turkey dinner to be held Sunday, November 15. A movie was shown on Mother takes a Holiday. Refreshments were served by the hostesses, Mesdames Mabel Reiter, Evelyn Krohn, Marguerite Doyle, Adeline O'Daniel and Etta Mae Brooks.

Mrs. Herman La Sanska underwent surgery last week in Silver Cross hospital.

Dottie and Dale Anderson entertained their neighborhood friends Friday evening, Oct. 30, when the children came back to the Anderson home after the usual tricks or treats fun, for a party and refreshments. Games and dancing were enjoyed, prizes awarded and refreshments were served at a long table decorated in Halloween effect. The usual cornstarch, lighted pumpkins, and candles decorated the place.

The Misses Jean and Evelyn Rowswell entertained in their

home Saturday night at a Halloween party. The girls dressed in costume went out for awhile for the usual tricks or treat fun, and then returned to the Rowswell home where they enjoyed games and refreshments. Prizes for the games were won by Mary Lou Gleason, Dottie Jean Anderson, Evelyn Rowswell, Virginia Zeigler, and Virginia McCulloch. Refreshments were served with decorations in keeping with Halloween.

Mr. and Mrs. Bruce Anderson and George and Faye of Homer were supper guests Sunday of the Len Anderson family.

Edward Kistinger entertained a few friends Saturday night at a Halloween party in the home of his parents, Mr. and Mrs. Edward Kistinger. Games and dancing were enjoyed, followed by refreshments. Guests were Karen Braun, Virginia Feil, Sharon Vally, Annis Weber, Jane Berlin, and Ross Nelson, Leland Harwood, Fred Stone, Billy Goldschmidt and Edward Kistinger.

Nancy Irene was the name given the infant daughter of Mr. and Mrs. Roy Fredin at the christening service held Sunday at the New Lenox Methodist church. Sponsors were Mrs. Marlin Coates of Waterloo, Iowa and Mrs. Carl Fredin of New Lenox. A dinner was served honoring the occasion at one o'clock

in the Fredin home. Guests were Mr. and Mrs. Marlin Coates and daughters Karen and Marlys; Mr. and Mrs. Clarence Clausen of Manhattan; Mr. and Mrs. Le Roy Krohn and Connie of Joliet; Mr. and Mrs. Robert Fredin and Bonnie, Jimmy and Douglas of Frankfort, Mr. and Mrs. Carl Fredin, and Mr. Albert Bettenhausen.

Mr. and Mrs. Marlin Coates and daughters Karen and Marlys of Waterloo, Iowa spent the past weekend here with her sister, Mr. and Mrs. Roy Fredin and family.

Mr. and Mrs. Clarence Madsen entertained in their home Oct. 28 honoring the 7th birthday anniversary of their son Kenneth. Kenneth's maternal and paternal grandparents as well as several aunts and uncles from Chicago were present.

Mrs. Louise Stahl has returned home after spending two weeks in Milwaukee, Wis., with relatives.

Mr. and Mrs. William Herbert and sons of Joliet were Sunday dinner guests of Mr. and Mrs. Kenneth Rennar and daughter.

Mr. and Mrs. George Morton and son Bradley had as their guests over the weekend, Mr. and Mrs. Earl Stahl and son of Milwaukee, Wis., and Mr. and Mrs. Ralph McGrew of Chicago.

The name of Merce Campbell senior student at Joliet Township High school who also took part in the school play "Our Hearts Are Young and Gay" this past week, was accidentally omitted from the previous list of those from New Lenox taking part.

Mrs. Clarence Madsen who has been confined to her home the past few days is able to be out again.

Girl Scouts

Girl Scout troop 98 enjoyed a Halloween party at Haven school Oct. 29. Each girl brought a guest. Novel games were played and prizes were awarded. Sandwiches, hot chocolate, and taffy apples were served, and a unique pitcher made by the girls was used to hold the hot chocolate. It was a hollowed out pumpkin lined with wax. Mrs. Roland Cagwin was their gypsy fortune teller.

Girl Scout Neighborhood meeting will be held Nov. 12 at 1 p. m. in the home of Mrs. Algot Peterson. Troop 104 will be hostesses. All mothers of girl scouts, and adult members are urged to attend. Those in need of transportation are asked to call Mrs. Arthur Rowswell 4793.

Troop 104 met Friday at the Lions Den for a costume Halloween party. Games were enjoyed and the girls bobbed for apples. Gail Huss was hostess. The girls made masks from paper bags. Mrs. Paul Beedles and Mrs. Enaline Huss assisted.

Troop 97 met Wednesday at the home of their leader, Mrs. John Olson, who was assisted by Mrs. Kenneth Richardson. A short business meeting was held before the Halloween party, when the coming troop birthday and investiture was discussed. Election of officers for the month was as follows: President, Barbara Gail; secretary, Virginia Richardson; treasurer, Holly Peterson. Refreshments were served by the girls, assisted by their leaders.

Troop 13, Brownies, met Thursday at Oakview school with leader Mrs. Howard Hull and co-leader Mrs. Hunter Chapman. A Halloween party with the usual games and refreshments was enjoyed.

Troop 90 met Friday at Haven school with Mrs. O. V. Rowe and Mrs. Clarence Luther.

Mrs. Kenneth Richardson, Mrs. Howard Hull, Mrs. Paul Beedle, Mrs. Hunter Chapman, and Mrs. John Olson finished the basic training course in Joliet Oct. 26 at which time they were invested as Girl Scout leaders by Mrs. Alan Schoenfeldt. Later the women met at the home of Mrs. Ray Bourres for refreshments.

Troop 140 met Thursday at Haven school with leader Mrs. O. V. Rowe.

There will be a meeting of the Maue PTA at Maue school Friday evening, Nov. 13 at 8 p. m. A Book Fair will be the feature of the evening's program.

Mrs. Chester Williams attended the South Western Area Parent Teacher Council Board meeting held at the Doctor's school Tuesday evening. A discussion regarding Parliamentary procedure followed the usual council

business. A pleasant social hour during which cake and coffee were served, was enjoyed by all.

Children of Maue school in both the upper and lower grades enjoyed Halloween parties at school Friday. Prizes were awarded for the best costumes. Pop and prizes were paid for out of achievement club funds. Cookies were furnished by children.

Colds and stomach flu are keeping many of Alpine's residents a bit under the weather these days. Some say a good cold snap is needed to snap them out of it.

Mrs. E. Mrosek is carrying a rabbit's foot in her purse these days. It was given to her along with a new three year subscription order for the Orland Park Herald.

Mrs. Hazel Brown returned to teach her upper grade classes at Maue school Thursday. Mrs. Brown, her husband, William, and their son Roger had been called to West Sunbury, Penn., by the death of his father, William S. Brown, Sr.

Miss Evalyn Geisin of Chicago was a guest of 102nd avenue's young fry over the weekend. She came out to join them in Halloween festivities.

The nicest gremlins visited Alpine homes Friday and Saturday of last week. Not one report of destructive activity or practical joking has come to this correspondent's attention, even though many little imps were

abroad demanding a trick or treat. One kind of wonders though, if there might not be some relationship between that extra big gremlin that no one could identify, Mrs. Dell Simrell, and the pop corn ball, stick candy and the all day sucker to be found in the Simrell home. Bruzy Janulis should really do something about those freckles before he tries to fool anyone, they are a dead give away. Wonder if Marge Cole remembers way back when she was a trick or treat?

Mr. and Mrs. Paul Rudolph and children Robert, Patsy and Jean of Coleman, Wis., were guests for a few days recently in the home of her sister, Mr. and Mrs. Aaron Simrell.

Recognition night for all of South Cook County 4H clubs will be held in the Homewood Village hall in Homewood, Thursday, Nov. 12 at 8 p. m. All awards for the 1953 season will be presented. It is hoped that there will be a good turn out of 4H members.

Juniors of IFWC Collecting Stamps For Wounded Vets

The Third District Juniors of the Illinois Federation of Women's Clubs are making an appeal to their members and the public for stamps for the wounded. Mrs. Melvin Stromberg, 9836 South Calumet avenue, the third district junior veterans

service chairman, has announced that the juniors of the district have undertaken the General Federation of Women's Clubs junior project of "Stamps for the Wounded."

There are more than 63,000 permanently hospitalized veterans. To them stamp collecting is not only an absorbing hobby, but an actual therapy, both mental and physical.

Stamps that are wanted are, foreign stamps in any quantity or origin, all current United States stamps except three, two and one and a half cent non-commemorative stamps, and six cent airmail. Do not send the

ordinary Jefferson three cent stamps, but send all other commemorative, revenue, postage due and high denomination stamps; also non-current United States stamps of all denominations. Do not send Christmas 'T's, Crippled Children or any other seals. Do not send rare stamps, as very valuable stamps are not suitable for the hospitals where the aim is variety and interest, not speculation. The most valuable donations are stamp collections no longer wanted. In sending stamps, do not peel the stamp from the paper, but cut it in such a way as not to cut the perforations, and

leave a margin of paper, as damaged stamps are of no value to the collector.

Stamps should be sent either to the Third District junior veterans service chairman, Mrs. Melvin Stromberg, 9836 South Calumet avenue, Chicago 28, or to the veterans service chairman of the Orland Park Junior Woman's club, Mrs. M. McCullough Oak and Brook streets, Orland Park.

Complete pasteurized dairy service in Mokena and Frankfort

Enjoy 4 rooms now
and
6 rooms later!

Design No. 6208

Some folks call this a "growing house" since the first floor offers a complete two-bedroom living unit, while the upper floor provides space for two future bedrooms and an additional bath.

You will be delighted with the floor plan and the many modern elements which the architect has developed. It is worth seeing... worth studying.

So are all the other modern homes in our Weyerhaeuser 4-Square Home Building Service. Each design is the work of a leading architect. Every home is planned to give you greater value on today's market. Blueprints are available. Here is the ideal place to plan your home.

THE BIBLE SPEAKS

International Union Sunday School Lesson

BY DR. KENNETH J. FOREMAN

Scripture: Acts 2:41-47; 5:42; Philippians 1:27-30; 2:12-18; 1 Peter 2:4-10; Revelation 3:7-22

Devotional Reading: Psalm 122

Church-Community

Lesson for November 8, 1953

EVERY Chamber of Commerce brags about the churches in its town, just as it brags about the parks, schools and museums. But sometimes the pride is for the wrong reason. Why should a community be proud of its churches and thankful for them? Why does every American community, with very few exceptions, feel itself not complete without at least one church? Not because they add to the beauty of the local scene though many of them do. Not because they are inexpensive and democratic clubs, for a church which is no more than a club is not a true church.

Dr. Foreman

What Does A Church Do For A Community?

What a good church does for its community can never be fully told. There are three outstanding services which the church and only the church attempts to do in the most vital way. One is to produce better persons. To be sure, the schools and the hospitals and all sorts of organizations are working at the task of making better citizens; so perhaps are the juvenile courts and even the police courts. But the church, and only the church, is working at the job of making better citizens from inside out. Only the church confronts sinning men with the living God. Only the church introduces men to Christ. Only the church keeps alive the memory, and practices the living presence, of the Son of God.

Even the most pagan mayor would admit that his city or town would be better if all the citizens were Christians. Well, that is precisely what the church is trying to do, "present every man perfect in Christ" as St. Paul expressed it.

The Personal Gospel

Some churches talk much of the social gospel; others never do. But even the most individualistic kind of religion may turn out to be a social gospel—a good news for the community—after all. For one thing, the church and only the church, within any community, not only knows what a Christian home ought to be, but works at it. If a church did nothing else whatever to solve the problems of its community, what it does in founding and supporting Christian homes brings rewards and dividends to the community that far outweigh anything the community can do for the church. The church keeps her eye always on persons; other elements in the community keep sharp eyes on profits, but in the long run people are more important than profits, even when it is only the church that sees it.

In a certain large city there is a residential area where the people have been badly affected by fumes from manufacturing plants about a mile away. In the many arguments over the trouble, the factories (and the Chamber of Commerce) are concerned mainly with the money problems involved in ridding the community of harmful fumes.

Learning To Be Neighbors

In the long run, it is the church that helps a community to be a community and not a collection of houses. It is the church that teaches her members to honor others more than themselves. It is the church that teaches a morality higher and deeper than any code of laws. It is the church that preaches and teaches and in part practices unselfish love as the law of life. It is the church that gives the most profound meaning to the word "neighbor" and indeed to "community" itself. A church which is in itself a true fellowship is going that far toward making the whole community a fellowship in fact and not only in name. Here, alas! we run into a miserable fact; that some churches are so far from Christian that they harm the community-spirit instead of building it up. In a small Delaware village some years ago a feud between two denominations reached the point where one locked the other out of the Thanksgiving service! That is an extreme; but any one who rides through the country and sees in a tiny village more churches than it can ever support or fill, cannot help wondering whether all these "holier-than-thou" societies are building or breaking a spirit of togetherness in that place.

MARLEYMrs. Virginia Sass
Phone 3651

The Marley Woman's club will meet Thursday afternoon, Nov. 12 with Mrs. Herschel Aseltine. Mrs. Kenneth Richardson will be assisting hostess. Members are to bring articles for the silent auction to be held at his meeting. Plans will be made for the bus trip to the IceF ollies at the Chicago Arena Saturday, Nov. 14.

The Hadley Mother's club will meet in the Hadley school Tuesday night, Nov. 10. Verne Cracker, CCounty school superintendent of schools will be the speaker.

Miss Helen Tilsy received word of the death of her uncle, John L. Holm, who passed away at Sturtevant, Wis., Sunday, Nov. 1. He was 79 years old. Funeral services were held at the Northgate church, there Wednesday.

James Frazer attended the National Gleaner convention at Mansfield, Ohio, last week. Mr. Frazer served as chairman of the Credentials committee at this convention.

The Freeman Fellowship met in the Earl Cutler home in Palos Park Sunday night. James Tilsy was in charge of the program.

Dinner guests of Mr. and Mrs. Edward Sproat Sunday were Mr. and Mrs. E. D. Gillette and Mr. and Mrs. Russell Lauffer and family. The occasion was in honor of Mr. Gillette's birthday.

Oscar Kase of Joliet was a visitor Sunday afternoon of Mrs. Adella Sproat.

Mrs. George Miller of Ridge-wood spent a few days last week in the Howard Handorf home.

Mrs. Ray Czerwinski is a medical patient in St. Joseph's hospital in Joliet.

Mrs. Ralph Bell underwent major surgery last Tuesday in Silver Cross hospital in Joliet.

Mr. and Mrs. Charles Lauffer were entertained at dinner Sunday in the home of Mr. and Mrs. Carl Handorf in Lemont.

Miss Marion Barney and Miss Ruth Barney of Oak Park were guests Sunday of Mrs. C. F. Halley and Miss Agnes.

Mrs. Adella Sproat was a guest last Tuesday afternoon in the Wright Wood's home in Frankfort.

Mr. and Mrs. E. D. Gillette were dinner guests Saturday of Mr. and Mrs. Burton Gillette in New Lenox.

The Freeman Fellowship sponsored a Halloween party Saturday night in the Marley church. The men of the group were in charge of the affair. Everyone came in Hard Time costumes to enjoy the various games and refreshments.

The Maple Street school had their Halloween party in the school Friday afternoon. The children of the school were all present to have fun under the supervision of their teacher, Mrs. Muriel Korista.

Mrs. Joseph Liberty, teacher, was in charge of the Halloween party for the school children at the Marley school Friday.

The Hadley school Halloween party was held at the school Friday night. Members of the Mother's club were in charge of the activities and refreshments. Prizes for best costumes went to Cheryl Sass and Malcolm Phillips. Judy Termunde received the prize for her carved pumpkin. Mrs. Charles Sass and Mrs. Ray Carlson were in charge of the games. Mrs. Eugene Anderson and Mrs. Harold Mohney served the refreshments. The school children, their parents and other members of the district were guests.

Mr. and Mrs. Don Reid returned home Sunday from Amarillo, Texas, where they attended the National Rabbit convention during the past week.

Merritt J. Cagwin and son, Ralph have returned from a hunting trip in Colorado. They got their deer.

Ray Carlson is spending this week in St. Louis on business. Mr. and Mrs. Willard G. Rowley of Princeton are the parents of a son born October 27 in a Princeton hospital. He has been named Willard George and will be a playmate to David who is spending several days with his grandparents, Mr. and Mrs. Willard Rowley, Sr.

Mr. and Mrs. Edward Henry celebrated their 25th wedding anniversary Wednesday evening October 25, with a family gathering and buffet supper in their home. The affair was arranged by their their daughters-in-law.

Mr. and Mrs. C. G. Rowley attending the christening of their great grandson, David Edward Ott, in the Lockport Congregational church last Sunday. They were also guests at a dinner in the home of the baby's maternal grandparents, Mr. and Mrs. Howard Werner in Lockport, following the christening. Mr. and Mrs. Edward Werner of Joliet, also great grandparents, were present as was the paternal grandmother, Mrs. Marie Ott.

The Stauss family are busy remodeling their newly purchased home, formerly owned by the

William Kaspers, and expect to move in soon.

Mr. and Mrs. Robert Burch returned Sunday from a week's trip in the 'Ozark's'.

David Wieting had his hand quite badly crushed in a corn picker at his home a few days ago.

The monthly fellowship dinner will be held in the Homer church following the service next Sunday. Mrs. Henry Rodgers and Mrs. F. M. Milne will be in charge of arrangements.

The C. A. C. will have a housewarming in the new H. M. Finley home in Lockport next Saturday night.

Mr. and Mrs. Herman Benck and daughters, Irene and Ruth, attended the Father's day festivities at Urbana, Sunday, where they were the guests of their son Ralph, a student at the university.

Local schools put on a gala Halloween celebrations Friday. A very successful party in the new basement at Hadley school, was sponsored by the Mother's club, whose president is Mrs. H. V. Dreves.

Mr. and Mrs. Donald Sproat and son Bob, of Detroit, called on relatives Sunday afternoon.

A permit for a \$7,000 home to be built on route 7 in Homer was recently issued to Leon Spangler of Lockport.
